## The Diploma in Early Childhood Education

If you are planning to be in or are in Early Childhood Education, then this course is for you!

### ABOUT THE DIPLOMA

The Diploma in Early Childhood Education (ECE) is an essential qualification for professions dealing with children. It is essential for ECE Teachers to be able to discern the learning abilities of the young. A teacher should be able to identify learning and interaction problems at an early stage. This certification equips teachers with learning and teaching approaches, processes required, planning and management of centers of learning for the young. The Ministry of Education's policy requires all Early Childhood Educators to be certified by the year 2020.

## Who is this for?

- Nursery & Kindergarten Teachers
- Entrepreneurs intending to set up a nursery or kindergarten
- Those who intend to go into Early Childhood Education
